Dear Parents /Carers,

### **School library book loan**

Thank you once again for supporting your children both at home and at school during these different times.

Your child may have seen the videos of Mrs Taylor our librarian reading stories last week and I know that the feedback has been that they really enjoyed these stories. At the moment, due to COVID restrictions, we are unable to let the children access our library and the books are all there waiting to be read. If your child would like to borrow a book then please follow the link below and complete the Microsoft Form with your child indicating their interests and the type of book they would like. Mrs Taylor will then select a book she thinks they will really enjoy. This book will either be put in Reception for you to collect or be sent home with your child if they are in school.

Please also remember that we have a parent lending library that provides books that can be used to support you in helping your child through particular circumstances that might cause them to worry, for example bereavement. A list of the available books are on our website on the link below:

If you wish to borrow one of these books please also complete the Microsoft Form in the link below giving the title of the book you wish to borrow:

We would request that you return these books after one week. They will then be put out of circulation for a quarantine period before being placed back in the library.

If you have any questions then please contact the office on 023 92 378890.

We hope that you enjoy the books and they help the children to develop their love of reading.

Yours sincerely,

Mrs K Pickett  
Deputy Head
