

# Parent Expectations

It is vital that we all work together to keep each other and the community safe.

These are some of the things that you could do to help keep the school open...

Wear a mask when on the school site!

Ensure social distancing is maintained, especially outside the gate!

Encourage your child to get in to the habit of washing their hands.

Please do not queue outside of school.

Please do not allow your child to mix with other households before or after school.

Maintain excellent uniform hygiene. Wash daily if possible.

Follow the one way system when on the school site.

Use SCOPAY to minimise cash handling in the office.

Please contact staff by telephone to minimise face to face contact.

Ensure that you keep your child off school if they are poorly and get a test if required.

Respect the staggered start/finishing times by arriving and collecting during the designated times.

Please do not allow your child to bring any items from home.
