Dear Parents and Carers,

Pets as Therapy

We are delighted to be able to inform you that we have registered for the Pets As Therapy READ 2 DOGS programme which is designed to increase confidence and enjoyment in reading. This programme will support a small number of children and will take place in a quiet area away from the classrooms.

We are aware that occasionally some people have allergies to dog hair that we may not be aware of. If your child is allergic to dogs please will you inform us and we will take this into consideration when locating the sessions.

We are really excited about this programme and would like to thank the volunteer who will be running it. The children who are selected will be informed separately along with a consent form which will indicate agreement to their child taking part in the session.

Yours sincerely,

Mrs K Pickett
Deputy Headteacher
