

# Court Lane Academies Home School Agreement

2019-20

Underpinning Court Lane Academies' learning policies is a growth mindset philosophy i.e. The belief that although we're born with a certain level of intelligence, we can develop it throughout our lives through effort, strategies, facing challenges and learning from our mistakes.

*Every Child, Every Chance, Every Day.*

This can be done most effectively when home and school work in partnership and are supported by the wider community.

This agreement sets out the role of pupils, parents and school in supporting children's learning, to have aspirations and help each child to achieve their best.

*Every Child,  
Every Chance,  
Every Day.*

### As Parent/Carers we will try to:

1. Enter into a courteous and respectful relationship with school in support of its values and aims.
2. Work in partnership with the school by attending meetings and events to discuss/support my child.
3. Refrain from identifying children or school staff by name, or in photographs on any social media or digital platform without express permission from the school or the child's parent/carers.
4. Ensure our child arrives on time, attends well and inform the school of the reason of any absence.
5. Provide a suitable environment to support our child in all home learning and online opportunities.
6. Encourage a positive attitude and support the schools' policy on recognising effort and behaviour.
7. Inform the school of any concerns that may affect my child's learning or behaviour.
8. Teach my child to respect others.
9. Positively support our school and its community.
10. Talk to my child about their life at school.

### Our Academies will try to:

1. Provide a secure environment where all people are valued and respected.
2. Meet our school aims; fostering a love of learning in all people.
3. Care for each child's happiness, wellbeing and safety.
4. Provide an enriched enquiry-led curriculum to prepare children for living as well as learning.
5. Adopt restorative practice and positive handling procedures for all behavioural matters.
6. Promote high expectations of learning and dispositions, helping children to take responsibility for their actions.
7. Teach children to relate well to each other regardless of gender, race, culture, belief, values, age and need.
8. Teach our children how to use IT and stay safe online.
9. Provide information to you about our school including curriculum, relevant policies, meetings and workshops.
10. Encourage a sense of community as well as recognising successful personal development.

### As a pupil I will try to:

1. Always try to achieve my best.
2. Aim to reach my learning goals.
3. Be resilient and reflective in all I do.
4. Firstly, try to solve problems myself, then talk to an adult about any problems I might still have.
5. Listen to and carry out instructions.
6. Walk inside the buildings.
7. Care for each other, the school building and property.
8. Take pride in my achievements.
9. Be responsible for my actions.
10. Attend school, arrive on time and bring all the equipment I need.
