Dear Parents and Carers

Regular volunteers in School

It has been some time since we were able to invite adult volunteers into school and this has been something that staff and children have really missed. Adult volunteers provide invaluable support as they really enhance what we can offer to our children during their time in school.

We are now in a position to invite volunteers back into school and wish to recruit regular helpers/volunteers to support within school. Another pair of hands opens up so many more opportunities to our young learners. **If you would be interested in joining us as a regular adult volunteer, please complete the form as detailed in the link below and submit this by Wednesday 16th March.** I will then arrange an "Adult Volunteers in School" meeting. We envisage this meeting taking only about 30 minutes and we shall cover the school's policies and procedures (including confidentiality and safeguarding).

We are particularly looking for adult volunteers to support children with reading, but if you have any particular skills that you think would be able to support the children's learning then please let us know. For example, are you a keen gardener and would like to support with our outdoor area?

We look forward to receiving your completed form via the link and please indicate which time would suit you best for a meeting; I will then arrange this when the majority of people are able to attend.

Kind regards,

Mrs K Pickett
Deputy Head
