4<sup>th</sup> November 2022

**Maths Workshop – Year R**  
**Tuesday 22<sup>nd</sup> November 9am – 10am**

Dear Parents/ Carers,

As an outcome of the positive feedback from the previous Little Wandle Phonics workshops last half term, we would like to invite you to a Maths Workshop this half term. This will be an opportunity for us to share with parents how we teach maths in school and how you as parents can support your child/ren in maths in order for them to reach the expected level by the end of Year R.

It is an important workshop which will have top tips and learning examples of how to support your child's Number and Numerical Pattern development in this crucial foundation year. It will provide a solid foundation in supporting their mathematical development as they progress through their educational journey **and your child will come and join you for part of the session.**

Research indicates that a strong partnership between parents and educational settings has a positive impact on children's learning. We highly value parental involvement in supporting learning and we look forward to welcoming you to the workshop.

Please click on the link below, before Monday 14<sup>th</sup> November, letting us know if you are able to attend this workshop.

<https://forms.office.com/r/CLLadmh1bC>

Yours sincerely,

Mrs ML Thomas      Mrs L Colebrook  
Year R Teacher      Maths Subject Leader

Proud to be part of the **UNIVERSITY OF CHICHESTER** ACADEMY TRUST
