Monday 21st November 2022

Dear Parents and Carers,

Year 2 Science Workshop – Monday 30th January 2023

The Year 2 Science topic next half term is Forces and to enhance the children's learning, each class will be having a magical Science Workshop experience on **Monday 30th January**. This will be a hands on, practical session to begin our forces topic. This experience will enhance the learning the children do back in classroom and will support them in developing their understanding of Forces in a fun way.

To help cover the cost of the session, we are asking for a contribution of £2.71 per child to be paid online via SCOPAY. Unfortunately, if we do not receive sufficient contributions it may necessary to cancel the visit. With this in mind, we ask that all payments are made online by **Monday 16th January**.

Thank you in advance your support with this valuable learning experience.

Yours sincerely,

Mrs K Barker-Vasallo Miss A Gibbs Mr S Robson Mrs K Cobb Mrs H Fagelman Miss Brown

The Year 2 Team
