Nuffield Early Language Invention (NELI)

Dear Parent/Carers,

As you may remember we wrote to Reception parents/carers in September this year or Year 1 parents/carers last year explaining that we are using the Department for Education funded language programme called Nuffield Early Language Intervention (NELI). The programme is designed for reception pupils and all our reception children are screened using this programme. Those that would benefit from additional support with their language and early literacy skills are then provided with targeted small group and one-to-one support.

As the DfE have extended the duration of the NELI programme, their privacy statement has been updated and they have asked us to share this with you. Details can be found by following [this link](#).

Regards,

Mrs K Pickett
Deputy Head
