Writing Workshop – Year R
Wednesday 1st March 9am – 10am

Dear Parents/Carers

We would like to invite you to a Writing Workshop on Wednesday 1st March. This will be an opportunity for us to share with parents how we teach writing in school and how you as a parent can support your child/ren in writing in order for them to reach the expected level by the end of year R.

It is an important workshop which will have top tips and learning examples of how to support your child's writing development. It will provide a solid foundation in supporting their writing development as they progress through their educational journey **and your child will come and join you for part of the session.**

Research indicates that a strong partnership between parents and educational settings has a positive impact on children's learning. We highly value parental involvement in support learning and we look forward to welcoming you to the workshop.

Please click on the link below, before Tuesday 21st February letting us know if you are able to attend this workshop.
