Welcome to the Portsmouth Local Offer

on behalf of the Co-Production Group

The website is a collaboration between parents and carers of disabled children, young people and Portsmouth City Council to help you find what is available in the area for those with special education needs or disabilities (ages 0-25) and how to access a variety of services. These range from health, social care and education to short breaks, leisure facilities, support groups and the voluntary sector.

The Local Offer has this information in one place so you can make an informed choice on the support your child may need.

We have drawn on our experience as parents and our joint passion for improving the lives of those involved in the care of young people in Portsmouth to put this information together in a friendly and easy format.

The Co-Production Group is made up from parents who have children with

special educational needs and/or a disability and staff from Portsmouth City Council. They have worked together to shape and develop the Portsmouth Local Offer and services available to parent/carers, children and young people locally.

If you think something is missing from the Local Offer or know of any information it would be useful to include, please let us know.

We are keen to continue to involve young people in the development of the Local Offer so if you would like to get involved, please contact the Dynamite Young Persons Group by emailing **dynamitePortsmouth@gmail.com**.

Wherever we are in life we all need some information from time to time; this is what the Portsmouth Local Offer hopes to give you.
