27th April 2023

Dear Parent and Carers,

'Dance for Diabetes' - sponsored dance event

We believe that it is important for children to learn how they can help others and therefore we have agreed to support the Diabetes Research and Wellness Foundation. The children are invited to take part in **'Dance for Diabetes' a sponsored dance event** - 60% of the funds raised go to this Foundation and 40% stay in school.

On Wednesday the children were introduced to the event during assembly and shown the dance that we would like them to learn, they may have come home and talked to you about this already. Packs giving you all the information you need are being sent out to you today.

On **Friday 26th May** we will have a whole school dance in the playground when the organisers will come and dance with the children. **Children are invited to wear bright colours into school on this day.**

We are sure that the children will really enjoy learning the dance and we will be teaching them this dance in school. However, we are sure that they will also want to do this at home and have included a YouTube link below (please ensure that you monitor your child's use of YouTube). This is a tutorial video that is split into 3 sections and then has the whole dance at the end.

<https://www.youtube.com/watch?v=pqIMTPGFDiw>

It would be great if you could encourage your children to take part, help raise money for this good cause and all whilst enjoying to learn a great dance!

Thank you for your support

Mrs K Pickett
Deputy Head
