11th July 2023

Year 2 – Healthy Heroes Week

Dear Parents/Carers,

We are very excited to tell you that when the children return in September, Year 2 children will be learning about Healthy Heroes.

There will be a Healthy Heroes week in Year 2 starting on the 11th September 2023, which will focus on how the children can be Healthy Heroes. During this week the children will have the opportunity to make a healthy snack, write their own food poem and learn about how to keep healthy.

To support the children with their learning about healthy heroes we are asking if there are any parents/carers that have jobs in the health and wellbeing sector who would be willing to volunteer to speak to the Year 2 children about how to be healthy. If there are any parents who are doctors, dentists, nurses, paramedics, firemen/firewoman, police officers or any other jobs in the health and wellbeing sector, then we would be grateful for your help. You would be required to speak to each class about your job and how it can help the children be healthy heroes.

If this is something you are interested in, we would be delighted if you could fill in this form <https://forms.office.com/e/KXVp1uybss> by Monday 17th July. After this date we will be in contact to discuss arrangements further.

Thank you in advance.

Yours sincerely,

Year 2 Team
