Located in the north of Portsmouth, Court Lane Infant School is proud of its caring ethos, encouraging and supporting children to be inspired, excel and work together. The academy is a positive and active place to work, and we believe that success here is built on strong relationships with everyone involved in the academy.

As a Lunchtime Supervisor, you will be responsible for supervising pupils whilst eating, ensuring they are in a clean and safe environment. In addition, pupil behaviour whilst eating and playing should be in line with the standards expected of the school, so that pupils are ready to return to class on time. You will be expected to engage with pupils on the playground and lead activities or games in which they can actively engage and promote positive behaviour.

With experience of working with children, you will have excellent interpersonal skills that enable you to communicate with a wide range of people especially the pupils. You will be resilient and hard working with the ability to work on your own initiative while understanding the need to work as part of a cohesive team.

In return, you will be part of the University of Chichester Academy Trust, bringing you added benefits and opportunities. You will find that each of our academies has a unique identity, but a shared belief in creating a positive and enriching environment, where all staff feel valued.
