Year R – ‘People who help us’

Dear Parents/Carers,

We are excited to tell you that during the second half of the Autumn term, Year R pupils will be learning about people who help us.

To support the children with their learning we are asking if there are any parents/carers that have jobs in the health and wellbeing sector who would be willing to volunteer to speak to the Year R children about your job and how you help people. If there are any parents who are doctors, dentists, nurses, paramedics, firemen/firewoman, police officers or any other jobs in the health and wellbeing sector, then we would be grateful for your help.

If you have some free time during the weeks commencing 11th or 18th November and if this is something you are interested in, we would be delighted if you could fill in the form using the link below by Monday 4th November. After this date we will be in contact to discuss arrangements further.

Thank you in advance.

Kind regards,

Year R Team
